## Akashic Location Diagnostic and Clearing

Postal Address : xxxx, xxxxx, Post Code xxxxxxx, France

Or GPS Coordinate : xxxxxxx, xxxxxxx

Description : Home of Family S.

Detached house in an acre of land, situated in a small hamlet.

Abbreviation :

H = House, L = Land S = Surrounding area of 1.6 km radius

### Initial Toxicity

H : 69%      L : 54%      S: 60%

This indicates the energy toxicity – disruptions that impact humans and animas living on the property, yet are not often tangible at the physical level. Toxicity up to 20% is considered healthy for humans to inhabit.

### Gateways

H : 0    L : 0    S: 1

Gateway is a large negative vortex, a highway of activity that facilitates a great deal of Disruptive Energy and the movement of Disruptive Beings. It can also trap Positive Souls as they transition from the existence on the Earth plane. Gateway can cause other negative vortex such as Portalway.

### Gatekeeper at the Gateway :

**1 Negative Male Soul calibration\* at 152.**

### Trapped Souls :

22,343 Positive Souls were found trapped in the negative astral plane that this Gateway opened into. These Souls are now cleared and shielded, and then escorted to the Positive Astral Plane where they were meant to be. Now this Gateway is closed.

## Portalways opened into Negative Dimensions

Portalways are doorways between vibrational dimensions.

**H : 2      Used by 6 Disruptive Entities,**

**533 Poltergeists.**

## Earthbound Soul

Earthbound Soul is a Soul (either Positive or Negative) who has not made the transition to the intended Astral Plane. They may have refused to leave the move on due to their own reason for the people they left behind, either positively or negatively minded. They may have been in a sudden accident and literally displaced from the Earth Plane and Astral Plane.

Negative Earthbound Soul emanates the toxicity and can augment the stress and the disharmony in a home by latching onto any negative feelings from the people who live there.

A large number of Earthbound Souls often indicates that the location was a battleground or the place of sacrifice etc.

These Souls are now met each with the appropriate escort and made their transition.

H : 1      A Disruptive Soul who was a grandmother of the landlord.  
L : 9      4 Positive Souls, 5 Disruptive Souls  
S : 3,542    3121 Positive, 421 Disruptive
